## Keep Objecting to Homosexuality: 4 Reasons Why They Are Not Our Allies

by Linda Harvey

It's curious that, as parents around the country unite against the wicked "trans" agenda directed toward our kids, quite a few are willing to accommodate homosexual identities.

"I have no problem with someone who's gay," I heard one mom say. "It's the gender mutilation that we need to fight."

Agreed, that needs to stop, but doesn't she understand that the fight to normalize "LG" and "B" is where the push for "T" began? They are intimately connected and that's why they stand in unity: "LGBTQ."

We need to stand in unity too, against the deviance that God has told us is an abomination (Genesis 19; Leviticus 18:22; 20:13; Romans 1; 1 Corinthians 6:9-11 and elsewhere). God Almighty destroyed two thriving cities, Sodom and Gomorrah, because of the prevalence of homosexual behavior, not because of "inhospitality." It can take over a culture and insist that everyone (including children) honor its "pride." Sound familiar?

## Preventing Abuse, or Sexualizing Children?

*Second Step brings 'LGBTQ' content and more into classrooms*

by Linda Harvey

Recently, parents in several northern Ohio school districts became outraged when they discovered how schools were fulfilling a new Ohio Instructional mandate. The new regulation, "Erin's Law," went into effect in 2023, named after a victim of sexual abuse, and it requires child sexual abuse prevention education for children in K through 6th grade classes.
