Are you Ready to Stand Up against "Pride" This Spring?

Spring is coming and alongside it, the unauthorized use of God's rainbow to promote homosexual and gender deviant behavior.

June is typically declared "pride" month and lately, it begins earlier-- even in some elementary schools.

Our friends at Mass Resistance recently published the account of a brave employee of UPS, a Christian, who confronted his company on its incessant promotion of the "LGBTQ" agenda throughout the workplace. UPS treated him disgracefully, and he has gone to a higher level, to federal authorities. Let's hope his case ultimately prevails.

His courage is a lesson to all of us to prepare this year for even more Bud Light and Target pushback moments.

Prepare your hearts, fellow believers. We cannot let this perversion continue to flourish unchallenged. We must be peaceful and lawful but there's a lot we can do.
