## Appearance vs Reality on Good Friday

By Linda Harvey

What's good about Good Friday?

One of the many profound surprises of Christian faith is that, what can seem like impossible circumstances can turn out to be rich blessings.

The most significant event in human history is one of those seeming catastrophes. It took place starting on Good Friday.

Think about the disciples that day. It wasn't as if Jesus had left them clueless. He told them He was the Messiah. Healing the lame, giving sight to the blind, even raising the dead, clearly demonstrated His power over creation and human life itself. Jesus was God on earth in human form.

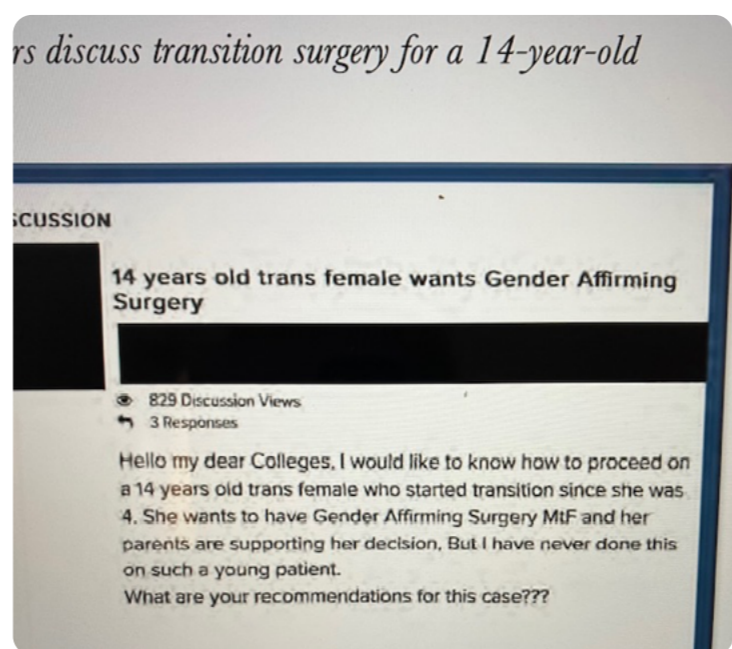

All this, and He also told them He would die and then rise again. The disciples brushed these warnings aside because none of it lined up with their expectations....

### Trans Agenda Targeting Children Takes a Major Hit as WPATH Files released

Medical experts? Trusted developers of standards of care? Now the mask is off, and the "World Professional Association for Transgender Health" has been exposed for the frauds they are. WPATH is quoted everywhere as the medical "experts" on gender so-called "transition," even for children. An internal source has blown the whistle, however, and in-depth files have been released to the public by Michael Shellenberger's organization, revealing the truth: these people are making it up as they go along, and they don't care about the harm to children.

### Happy Easter!!

The Lord Jesus is Risen Indeed!

The world stood still on Good Friday, but then came Sunday...and Jesus rose to life. Eternal hope, the promise of salvation are the free gift to all who believe because Jesus overcame the grave and lives forever.

We hope you have a wonderful Easter remembering the Resurrection and all the power it holds. The Lord reigns!
