Protecting Their Children, Saving America

From *The Epoch Times*
LOUDOUN COUNTY, Va.—In December 2020, Shawntel Cooper, a mother of two in northern Virginia, noticed something new in her fourth-grade daughter's morning class routine….
What was shown was a mainstream media news broadcast covering riots connected with the Black Lives Matter movement.

STOP the Deaths of Babies in Ohio!

Should medical professionals allow a born child to die after he/she survives an attempted abortion? That is why Ohio Senators Johnson and Huffman introduced Senate Bill 157, the Born Alive Infant Protection Act, requiring medical care and/or interventions to be provided for children born alive after failed or botched abortion attempts. This Bill has passed the Senate and is now in the Family, Aging and Human Services Committee in the Ohio House. **Contact** your Ohio Representative here, and ask them to help push this Bill out of Committee and pass this Bill now! For more information and to take action, click the link below.
