## Speaking Slot Withdrawn from Mission America Over Bogus SPLC Label

By Linda Harvey  
I was invited to be part of a panel at the Columbus Metropolitan Club on the topic of Ohio House Bill 616. However, after the invitation was extended, I received an email that the invitation was being withdrawn, and to call the director for more details. When I called, I learned that the invitation was withdrawn because Mission America is on the infamous Southern Poverty Law Center’s “hate group” list.

Their explanation? That our inclusion on that list was “a line they (the Metropolitan Club) couldn’t cross.” Mission America is NOT a hate group! We’ve been unjustly included for 10 years. Read more at the link below. So the SPLC is the authority here—a far-left, private, scandal-ridden organization that cherry-picks who is guilty of “hate” (using often-invalid assessments) while omitting onerous elephants in the room.

## Stop Gender Mutilation of Children! Hearings Underway for Ohio HB 454, SAFE Act

The Ohio House Families, Aging, and Human Services Committee has scheduled more hearings for the Save Adolescents from Experimentation (SAFE) Act, HB 454. We are hopeful a vote can occur very soon. This bill would prohibit doctors from treating children for gender confusion with puberty blockers, opposite sex hormones or surgery.

## Should Children Be Corrupted at School?

Children deserve a time of innocence in childhood and an education free from exploitation and sexualization. Unfortunately that’s becoming more and more difficult to find.

This is our goal at Mission America: to stand up for sound Christian values in America and protect our children.

Mission America thrives on your prayers, your appreciation of our resources, and the contributions so graciously made to this ministry. We continue to expose anti-child policies and actions.
