Swiss Billionaire, Progressive Dark Money Groups Bankrolling Opposition to Ohio Issue 1

From *The Ohio Press Network*.. COLUMBUS, Ohio – On August 8, Ohioans will vote on state Issue 1 — a ballot measure aimed at requiring 60% statewide approval to amend the state constitution, which would be an increase from the current requirement of 50% plus one person. Campaigns on both sides of the issue have raised millions, both receiving dollars from out-of-state sources. However, recent disclosures show a vast majority raised by opponents came from outside Ohio with \$2.5 million linked to a Swiss billionaire.

Arabella Advisors, a mega dark-money group touted for its massive amount of untraceable political spending, is one of the largest backers of the opposition to Issue 1....

According to recent disclosures, the Arabella network has poured \$3.5 million into opposing Issue 1. [Photo-- Among other groups opposing Issue 1 are Planned Parenthood, ACLU and "transgender" advocates]

It's Ohio Law-- So Where's the Funding? Abstinence Ed Dropped by Ohio GOP

Linda Harvey, Mission America-- Republicans in Ohio hold a super-majority in the state legislature, and yet the recently passed two year budget contains little or nothing for abstinence-until-marriage sex education in Ohio schools. So the admirable efforts of the nine organizations comprising the Ohio Adolescent Health Centers, serving tens of thousands of students each year (over 500,000 since 2016) will be severely curtailed unless Republicans can find a way to come up with the funding these groups were counting on. Click below to find out what YOU can do! [PHOTO-- If you don't think 7th graders should be taught how to put condoms on plastic devices, we need abstinence ed in Ohio!]

Stop Radicals from Ruining our State! Vote YES on Issue 1

If you care about protecting children (born and unborn) and parental rights, take the first step on or before August 8 by voting YES on Issue 1. Our Ohio Constitution should not contain matters that belong in the legislature, yet big money interests keep putting casinos, marijuana and now abortion (and worse) before voters. It's way too easy to amend our state constitution, so let's raise the threshold to 60%.

Please join Mission America in pledging to keep standing for the teachings and values of our Lord and against the sad destruction that threatens to consume America. The truth of Jesus will prevail against all enemies-- never doubt that.
