NEA Hates Children, America and Common Sense

By Linda Harvey
Reports from the recent annual meeting of the National Education Association, the nation's largest teacher's union, are shocking. The new projects approved by delegates from schools all over the country, added to the collective policies endorsed by this organization over many years, are heartbreaking and portend disaster for our country and our schools.

The reality is that, with almost 3 million members and scads of money, whatever the NEA supports is often where America goes. The Democratic Party jumps to the NEA's tune. And the union's actions certainly impact the education our children are receiving—or not receiving.

Provisionally, many Americans are waking up and rejecting what this corrupt organization is selling.

Changes Coming for Mission America Weekly Radio Show

Friends, we want to share with you the change coming to our weekly radio program on WRFD, The Word Columbus. Our Saturday half-hour show that airs from 1:00 to 1:30 pm ET is ending as of August 26th for the foreseeable future. We are, however, continuing our 4-minute commentaries on Tuesdays and Thursdays just after 4:00 pm ET.

This is a carefully contemplated decision after much prayer. We have so enjoyed the 14- year run of this program, and how terrific WRFD has been to our organization. It's a matter of production time, cost and other competing priorities right now.

Please continue to catch the Mission America commentaries on Tuesdays and Thursdays and read Linda Harvey's articles at www.missionamerica.com and elsewhere. Join us in pledging to keep standing for the teachings and values of our Lord and against the sad destruction that threatens to consume America. The truth of Jesus will prevail against all enemies-- never doubt that.
