## Standing Up Against Pronoun Tyranny at School

By Linda Harvey

The first few weeks of school are hectic but also exciting. New backpacks, new outfits, new friends, new pronouns.... Wait, no. Hopefully not. Hopefully your child's teacher won't demand affirmation of "woke" ideology from your son or daughter and will show respect for settled science and biology. But the unthinkable may occur. Will your child's teacher be one of the insulting ones who insists every student declare his/her pronouns during class introductions? It's already happening and we've written an article if you want to know how likely this scenario is during the coming school year.

[UPDATE, August 2023: This topic is more critical than ever because of proposed changes to Title IX federal law that the Biden Department of Education may implement this fall. If their unlawful plans proceed, every school child who "misgenders" a classmate or teacher may be accused of a federal sexual harassment civil rights' violation under the new twisted interpretation of Title IX. Stand up! Call your state representatives and members of Congress and ask them to stop this tyranny.]

## Over 1,000 Districts Hiding Students' Gender Identities from Parents

*The Washington Stand-*  
A new report is sounding the alarm on the growing number of schools embracing transgender ideology and keeping parents in the dark. According to Parents Defending Education, at least 1,040 U.S. school districts have adopted policies instructing or encouraging faculty and staff to keep students' gender identities a secret from parents. Those districts include over 18,000 schools responsible for nearly 11 million students. The vast majority of those school districts (593) are in California.

## Changes Coming for Mission America Weekly Radio Show

Friends, we want to share with you the change coming to our weekly radio program on WRFD, The Word Columbus. Our Saturday half-hour show that airs from 1:00 to 1:30 pm ET ended as of August 26th for the foreseeable future. We are, however, continuing our 4-minute commentaries on Tuesdays and Thursdays just after 4:00 pm ET.

This is a carefully contemplated decision after much prayer. We have so enjoyed the 14- year run of this program, and how terrific WRFD has been to our organization. It's a matter of production time, cost and other competing priorities right now.

Please continue to catch the Mission America commentaries on Tuesdays and Thursdays and read Linda Harvey's articles at [www.missionamerica.com](http://www.missionamerica.com) and elsewhere. Join us in pledging to keep standing for the teachings and values of our Lord and against the sad destruction that threatens to consume America. The truth of Jesus will prevail against all enemies-- never doubt that.

Please support our organization!! Go to our website at [www.missionamerica.com](http://www.missionamerica.com) to make an online donation or you may contribute to this address:
