URGENT! Call Now to Protect the Ohio SAFE Act/SAVE Women's Sports Act

Ohio House Bill 68, the SAFE Act/SAVE Women's Sports Act, is in danger of being watered down through last-minute amendments in the Ohio Senate. This bill, which bans dangerous hormone therapy and surgery on minors for the purposes of gender "change," may be voted on tomorrow in a Senate committee. Apparently, it is the Governor's office, under pressure from children's hospitals, pushing changes. Among the change is to allow doctors to prescribe puberty blockers and opposite sex hormones for minors diagnosed as "gender dysphoric." Banning this treatment is the whole point of the bill!

And the integrity of women's-only sports is also a key element of this bill, which passed the House and is now being considered in the Senate. Please call the members of the Ohio Senate Government Oversight Committee as well as your own Ohio Senators, and urge them to vote against these amendments, and to keep the strong bill we have now.

Committee members:
Senator Kristina Roegner: 614.466.4823
Senator Niraj Antani: 614.466.4538
Senator George Lang: 614.466.8072
Senator Rob McColley: 614.466.8150

He described it as "deep-seated anti-Semitism that has just arisen to the surface." Anti-Semitism is "one of the world's oldest and certainly its most deadly hatred throughout all of human history," said Mohler. "There's something that is unique in terms of the hatred of the Jewish people. And you see this in the Old Testament."

....Mohler agreed that left-wing anti-Semitism will spill over into anti-Christian bias and offered yet another example to suggest it is already happening...

At Mission America, we are not giving up, despite discouraging news, Ohio's recent approval of pro-abortion Issue 1, flagrant hatred of God and His standards, and impending persecution of not just Jews but more and more Christians worldwide. We will continue to proclaim the truth about life, family and biblical values.

Please continue to catch our Mission America radio commentaries on Tuesdays and Thursdays on [WRFD, The Word Columbus](#), and read Linda Harvey's articles at [www.missionamerica.com](#) and elsewhere.
