SAFE Act/Save Women's Sports Act Passed both Ohio House and Senate!! Now, Will the Governor Sign it?

Ohio House Bill 68, the SAFE Act/SAVE Women's Sports Act passed both the House and Senate today with only minor changes. This is terrific news!! Praise the Lord for opening the doors allowing this to happen. We must give big thanks to the sponsors of these bills (which were combined into one a few months ago)-- Representatives Gary Click and Jena Powell. Ohioans, you made the calls and you convinced lawmakers to do the right thing.

Now what will Governor DeWine do? He has 10 days to sign or else it automatically becomes law. Or...he could choose to veto it.

That would be a tragedy. Yes, lawmakers may be able to override his veto, but our governor should do the right thing. We must end the nonsense of allowing boys to invade girls' sports teams and minors to be persuaded, against common sense and valid science, to harm their developing bodies with medication or surgery for the impossible goal of "changing" gender. This experimentation on children by white-coat progressives must stop.

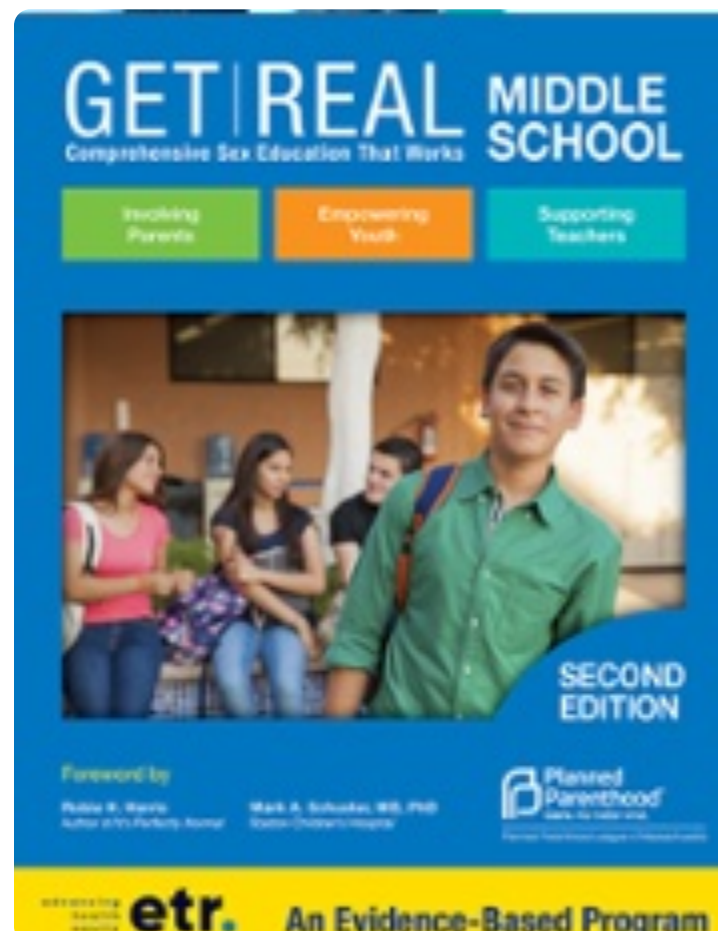

TAKE ACTION: Contact the Governor's Office and ask him to please sign this important bill!! 614-466-3555 or go [HERE](#).

How SEL Brings Radical Sex Ed to Your School

by Linda Harvey and Marsha Metzger

Parents today are starting to understand that sex education is not what it used to be. Explicit, X-rated lessons promoting reckless, hook-up relationships are being delivered to students as early as middle school through "comprehensive sex education (CSE)." To their horror, parents are discovering that some schools launch such programs and still maintain that these are abstinence-focused when the actual goal of CSE's abortion-friendly lessons is to lead children into a comfortable view of risky sexual conduct and even gender confusion....

We are Making a Difference...With Your Help!

Mission America is in its 28th year of service to Christians, parents, and families as we continue our media and education ministry. We praise God for all of you and the many connections we've made with others also taking a stand for truth.

At Mission America, we are not giving up, despite discouraging news, Ohio's recent approval of pro-abortion Issue 1, flagrant hatred of God and His standards, and impending persecution of not just Jews but more and more Christians worldwide. We will continue to proclaim the truth about life, family and biblical values.

Please continue to catch our Mission America radio commentaries on Tuesdays and Thursdays on [WRFD, The Word Columbus](#), and read Linda Harvey's articles at www.missionamerica.com and elsewhere. Join us in pledging to keep standing for the teachings and values of our Lord and against the sad destruction that threatens to consume America. The truth of Jesus will ultimately prevail against all enemies. Never doubt that.

Please support our organization as you consider year-end donations. Go to our website at www.missionamerica.com to make an online donation or you may contribute to this address:
