## UC Gender Studies Prof Reprimanded after Failing Student for Using 'Biological Women'

[From *Christian Post*] Melanie Nipper, an adjunct professor at the University of Cincinnati, received an official reprimand from the school in June after she gave her student, Olivia Krolczyk, a zero out of 20 on a May final project in a Gender in Popular Culture class, stating that "biological women" is an "exclusionary" term.

A copy of the reprimand obtained by The Cincinnati Enquirer stated that Nipper's actions violated the university's Campus Free Speech Policy.

## Will You Vote on August 8th in Ohio's Special Election?

Be sure to vote on August 8th, or vote early or absentee. From **Ohio Value Voters:** Vote YES on Issue 1 to protect the Ohio Constitution! Protect faith, family freedom, parental rights and the unborn. Your participation in the upcoming Ohio special election is a MUST. Planned Parenthood and its radical affiliates will spend tens of millions of dollars this November. They have collected petition signatures to pack Ohio's Constitution with their lies of radical "health care" policies. Planned Parenthood's objective is to permit underage minors to have abortions, contraceptives, and gender-changing hormones and surgeries WITHOUT PARENTAL CONSENT. Your YES vote on August 8th will change the required threshold of Ohio's Constitution to 60% instead of the current 50% plus one. It should not be this easy to change our Constitution! Please vote on August 8th or vote early/absentee.
