Stop Radicals from Ruining our State! Vote YES on Issue 1

If you care about protecting children (born and unborn) and parental rights, take the first step on or before August 8 by voting YES on Issue 1. Our Ohio Constitution should not contain matters that belong in the legislature, yet big money interests keep putting casinos, marijuana and now abortion (and worse) before voters. It's way too easy to amend our state constitution, so let's raise the threshold to 60%.

Please join Mission America in pledging to keep standing for the teachings and values of our Lord and against the sad destruction that threatens to consume America. The truth of Jesus will prevail against all enemies-- never doubt that.
