Target, Kohl's, Girl Scouts Team Up with Child Corrupter GLSEN

By Linda Harvey

Target has been a generous donor to the tune of over \$2 million to the Gay, Lesbian and Straight Education Network, GLSEN, and a senior brand manager at Target also serves on the GLSEN board as treasurer.

What's the problem with GLSEN? The group's three-decade goal has been to insert the homosexual and gender distortion agenda into K-12 schools.

But Target is not alone in linking arms with pawns of the devil. Kohl's also donates to this group. And now the Girl Scouts award a "pride" badge after Scouts complete a number of questionable activities, including reading GLSEN book recommendations. Will You Vote on August 8th in Ohio's Special Election?

Be sure to vote on August 8th, or vote early or absentee. From **Ohio Value Voters:** Vote YES on Issue 1 to protect the Ohio Constitution! Protect faith, family freedom, parental rights and the unborn. Your participation in the upcoming Ohio special election is a MUST. Planned Parenthood and its radical affiliates will spend tens of millions of dollars this November. They have collected petition signatures to pack Ohio's Constitution with their lies of radical "health care" policies. Planned Parenthood's objective is to permit underage minors to have abortions, contraceptives, and gender-changing hormones and surgeries WITHOUT PARENTAL CONSENT. Your YES vote on August 8th will change the required threshold of Ohio's Constitution to 60% instead of the current 50% plus one. It should not be this easy to change our Constitution! Please vote on August 8th or vote early/absentee.
