Ohio House Passes Bills on Parental Rights & 'Trans' Treatment of Children

Great news! The Ohio House of Representatives passed two important bills, one protecting parental rights in education and another prohibiting medical "transgender" treatments for children. And, this latter bill incorporated another bill, the Save Women's Sports Act, to maintain separate sex school athletic teams.

This is terrific news, and all Ohioans should thank their representatives who voted in favor of these bills.

But the job is not done until the Ohio Senate also passes these bills and they are signed by Governor DeWine. Will the Senate act in a prompt fashion? Will the governor sign? Find out more from Ohio Value Voters below. [PHOTO: Billboards last year supporting the SAFE Act]

New Video from Protect Women Ohio Commemorates One Year Anniversary of the End of Roe

COLUMBUS, OH -- Protect Women Ohio (PWO), a pro-woman, pro-parent, pro-life coalition, released a new video to commemorate the one-year anniversary of the Dobbs v. Jackson U.S. Supreme Court ruling, and to call for the defeat of the ACLU's dangerous anti-parent amendment. The 90-second video, titled "Our Chance," is launching ahead of the Dobbs anniversary on June 24. "This video is a powerful reminder of the progress we have made to protect lives across Ohio, and a call to action to defeat the ACLU's radical anti-parent amendment in November," said Molly Smith, PWO Board of Directors member. "We hope this video will inspire Ohioans to continue fighting to protect the unborn, women, and parents' rights to make decisions about their children's wellbeing."
