## English Teachers' Plans to Destroy Minds, Hearts and Souls of Children

Linda Harvey

The National Council of Teachers of English met in Columbus, Ohio from November 15 to 21st and I join many others in shame that our city hosted this "education" group, considering much of what was presented. In a state where 8<sup>th</sup> grade reading proficiency in our largest cities is well below 50%, this group is a hypocritical disgrace.

Their goal is for students to become activists, not readers or writers.

The meeting was a mostly downhill slide into cultural Marxist/ racist/ LGBTQ claptrap. Very little about reading and literacy divorced from leftist politics.

So of course there were the predictable homosexual/gender distortion presentations: "Queer(ing) Conexiones: approaches to queer work (meaning both LGBTQIA+ identities and work that disrupts norms) in ELA classrooms; presentations include context of K-12 teachings and teacher education on inclusive LGBTQIA+ ELA topics." (ELA stands for English language arts. LGBTQIA+ stands for high risk, immoral nonsense).

### Video: Linda Harvey Explains How SEL Brings Obscene Sex Ed into Your School

What is this new school framework called "social emotional learning"? Is it a lovely and worthwhile endeavor- or DEI, far-left progressive agendas and amateur psychology on steroids?

And what are the chances that because of the goals of SEL, your child will be drawn into the new brand of sex ed that equates anal sex with "safety" and normalizes teen hook-ups and abortion?

Watch Linda Harvey, president of Mission America, explain the connection between SEL and CSE ("comprehensive" sex education-- the obscene Planned Parenthood version).

### We Enter His Gates with Thanksgiving and His Courts with Praise... (Psalm 100)

Friends, we still have so much to be thankful for. The Lord has blessed all of us and let's lift up our voices together this Thanksgiving week to give Him praise and honor!

The Lord is good! His mercy is everlasting and His truth endures to all generations.

At Mission America, we are not giving up, despite our state's recent approval of Issue 1. We will continue to proclaim the truth about life, family and biblical values.

Please continue to catch our Mission America radio commentaries on Tuesdays and Thursdays on [WRFD, The Word Columbus](#), and read Linda Harvey's articles at [www.missionamerica.com](#) and elsewhere. Join us in pledging to keep standing for the teachings and values of our Lord and against the sad destruction that threatens to consume America. The truth of Jesus will prevail against all enemies-- never doubt that.
