## Don't Michigan My Ohio-- Let's Defeat Abortion Radicals

### NO on Issue 1 in NOVEMBER!

NO to killing the viable unborn child.

NO to minors having "sexual rights."

NO to parents shut out.

NO to depraved \$ taking over OHIO.

The annual gridiron contest between Ohio and Michigan is a cherished, intense rivalry, and every year, the people of Ohio cheer on their team, hoping the Buckeyes capture that victory.

This year, however, there's a much more important contest between Michigan and Ohio. Will Ohio cave in to pro-abortion forces and pass Issue 1 on November 7th, or will we rise above Michigan, where a similar, deadly measure passed last year?

Unlike Michigan, will Ohio support life, defeat abortion and vote NO on Ohio Issue 1? We have all the analysis in our article...click below for more.

Many schools allow or even celebrate these reckless, inaccurate messages on certain days and weeks during the academic calendar. Click below for our article and the list of these events to watch for.

## Let's Encourage Wholesome Books for Children

This is the season where we hear lots about "banned books." But it's a very misleading message-- as if parents must accept any old trash book publishers persuade librarians to stock. Do we trust the schools and libraries these days? Not so much...

So let's encourage and stand up for positive, wholesome books and other media presented to our children. See the articles on our home page.
