## Late Term Abortionists Love Ohio Issue 1

In Columbus until November 7, you MUST go see this exhibit. Late term abortionist Kermit Gosnell's Philadelphia clinic and, tragically, photos of the bodies and body parts of babies he kept, apparently as "trophyes" (like a serial killer), are documented by medical examiner and police photos. THIS is what we face if ISSUE 1 PASSES, friends....more late term abortionists, profiteers the left doesn't want to think about...

## Finding Positive, Wholesome Books for Children and Families

*A Mission America alert*  
Because there is so much harmful material that publishers and libraries offer children these days, I thought I would pass along the information I've gathered about how to evaluate books for your children and then, find positive, appropriate books for children.

I've also included a few titles for parents as they navigate the challenges of raising their offspring in today's America.

## Let's Encourage Wholesome Books for Children

This is the season where we hear lots about "banned books." But it's a very misleading message-- as if parents must accept any old trash book publishers persuade librarians to stock. Do we trust the schools and libraries these days? Not so much...

So let's encourage and stand up for positive, wholesome books and other media presented to our children. See the articles on our home page.

Please continue to catch our Mission America radio commentaries on Tuesdays and Thursdays on [WRFD, The Word Columbus](#), and read Linda Harvey's articles at [www.missionamerica.com](#) and elsewhere. Join us in pledging to keep standing for the teachings and values of our Lord and against the sad destruction that threatens to consume America. The truth of Jesus will prevail against all enemies-- never doubt that.
