## You Are Invited: Webinar on "Mindfulness" in Schools March 12

### Mission America alert

Linda Harvey, President of Mission America, will present a webinar on the new trend toward "mindfulness" lessons in schools.

"Mindfulness: How the SEL Spiritual Craze Brings Risk into the Classroom" is the title of this presentation.

The date is Tuesday, March 12, at Noon ET (11:00 am CT).

What is "mindfulness" and why is it showing up in more classrooms? How is it related to social emotional learning? What is the risk to children?

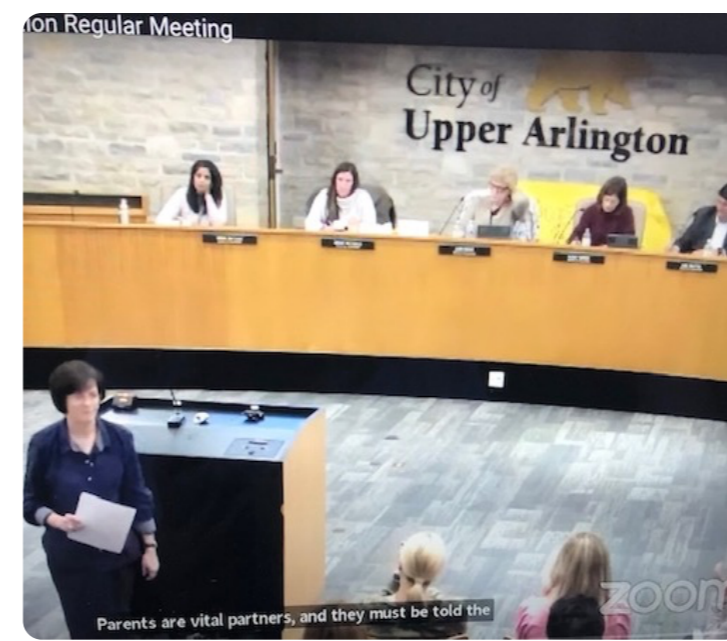

Mrs. Harvey has researched this subject for years and has reported about its growing popularity to numerous audiences.

The webinar is sponsored by the [Child Protection League](#) of Minnesota, and is free for all participants. Please pre-register by clicking the photo or the link below.
