## Mindfulness: SEL Spiritual Craze Now in Many Schools

Link to Webinar presented by Linda Harvey

"Mindfulness: How the SEL Spiritual Craze Brings Risk into the Classroom" was the subject of a webinar on Tuesday, March 12. If you missed it, the link to the video is below.

What is "mindfulness" and why is it showing up in so many classrooms? How is it related to social emotional learning? What is the spiritual risk to children?

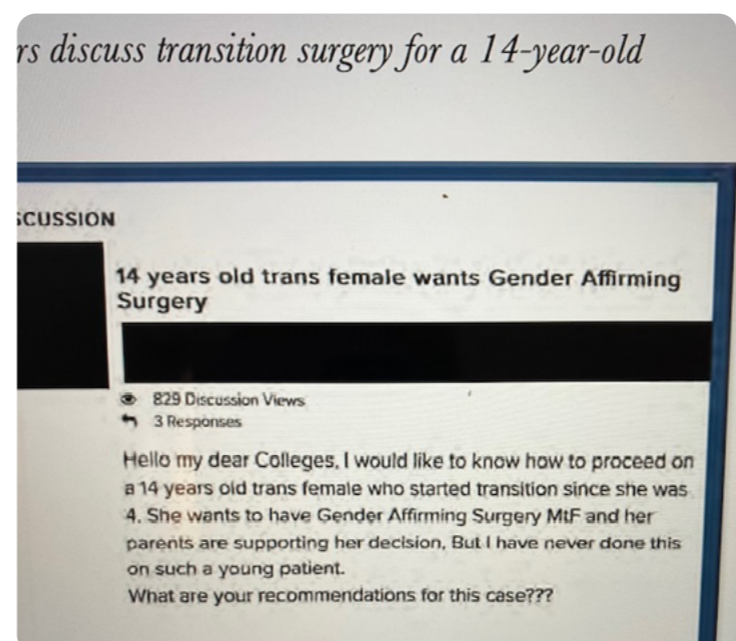

Mission America president Linda Harvey has researched this subject for years and has been reporting about its growing popularity to online and radio audiences.

The webinar was sponsored by the [Child Protection League](#) of Minnesota. Watch at the link below.

## Trans Agenda Targeting Children Takes a Major Hit as WPATH Files released

Medical experts? Trusted developers of standards of care? Now the mask is off, and the "World Professional Association for Transgender Health" has been exposed for the frauds they are. WPATH is quoted everywhere as the medical "experts" on gender so-called "transition," even for children. An internal source has blown the whistle, however, and in-depth files have been released to the public by Michael Shellenberger's organization, revealing the truth: these people are making it up as they go along, and they don't care about the harm to children.
