Standing Against DEI in Schools

Linda Harvey, president of Mission America, testified recently in favor of Ohio House Bill 155, which would ban diversity, equity and inclusion teaching and policies in K-12 schools.

She pointed out that Ohio schools are saturated with DEI, which grew out of critical race theory.

Some schools are now planning to change the name again to disguise what they are doing. Olentangy Local Schools recently announced some name adjustments, but they are not fooling anyone.

According to anonymous reports given to [Protect Ohio Children](#), at least 69 schools in Ohio have some type of DEI program or policy.

You can view the testimony and the whole hearing at The Ohio Channel (Linda's testimony begins at around 48:10.) Please contact your Ohio House representative and ask him or her to support HB 155, and also ask your Ohio state senators to support SB 113 (similar bill).

Support Natural Family Month from the Natural Family Foundation

Here at the Natural Family Foundation, we realize that we exist in a politically and emotionally charged environment where "public opinion makes tomorrow's laws, and those laws become the next generation's morals." We are trying to tip the scales of public opinion to once again support and defend the Natural Family. Our laws should protect and encourage the growth of that family unit. Today's laws do just the opposite, which means our nation's very foundation is being threatened....

LGBTQ Activism Doesn't Take a Summer Break

Linda Harvey featured at America Family News

"School teachers, administrators, and school board members often take time off during the summer – but Linda Harvey of [Mission: America](#) points out LGBTQ activists never let up. She blames the previous administration as the reason for increased homosexual activism on public school campuses...." Go [HERE](#) to read more.
